I tried to walk away, many times, I tried to make a new start, but my sexual urges were much too great. I needed to fuck, I needed a cock in my mouth, I needed one in my pussy. So I'm back and don't regret it. I need physical contact and I need a lot of it. If I didn't have a guy, I'd be all over you.

Don't let my innocent looks fool you, I'm a sex freak. Well, not really a freak but I do like to have sex and lots of it. I met my husband while having sex. Well, actually I met him as I was fucking his college roommate. Then he and I started dating and eventually married. I haven't fucked his college roommate since, but I probably would.

I'm pierced and fierce

Cherry

I've been told that my best assets are my three Bs. That's my two boobs and butt. I've got some of the most kissable boobs, and my guy really likes them pierced. They beg to be licked and sucked. Now let me tell you about my pussy! It's clean and loves to be fucked. So I can suck your cock until it blows your mind. And you can fuck my cunt until I can't take it any more. Then I'll make spaghetti and draw you a warm bath – with bubbles.

You're in for a treat in these next few pages, and in my video. I'm about to fuck my hubby's best friend and I'm going to let him do things to me I don't even let my hubby do. That's because I don't have to be with him except to have hot, uninhibited sex. And my hubby doesn't need to know. Now you won't tell him, will you? No, you won't.

Spicy, wet and nasty let us get you off

I'LL DO YOU & YOU, YOU TWO DO ME

I'm on my way over to visit my neighbor and best friend, Cindy. We've been having lunch together for almost a year now. It's not every day, of course, but often enough that she's given me a key to the side door. It's nice day today and I'm going to take her out to a little restaurant I found near the river. I go in the side door and walk in on Cindy and her husband, Kory, fucking in the living room. I hesitate for a minute, taking in the scene and decide to walk over to the couch and steals a passionate kiss from Cindy. She then invites me to join them.

I strip my clothes off and we girls are soon on our hands and knees on the couch, facing one another as we make love with our mouths. Kory takes advantage of this position, pressing his eager tongue deep into my warm wet slit to eat me out.

Cindy soon breaks off the kiss and helps Kory in his pursuit of pleasing me, wrapping her arms around my torso before massaging up and down my back and bottom as she kisses her way across my body. As Kory draws back from my sweet pussy, we urge him to stand up so that his long hard cock is at the perfect height for us to wrap our lips around it. Cindy is particularly eager to engulf her man's cock in her hot wet mouth and suck him off as I add my own licks and soft caresses whenever and wherever I can. Soon Cindy positions herself to be the center of attention in this threesome. Kory and I help our lover lean forward to leave her horny pussy open for our attention.

Kory positions his hard cock against her hole and rubs the head up and down before pushing himself deep inside her as I

As soon as I see Cindy fucking Kory's cock, I climbed on the arm of the couch and spread my legs so that Cindy can lean forward to eat me as Kory pounds her from behind.

Lusty's Editor,

If you publish this letter, please do not use my real name. Okay? I'm writing because of your sexy cover girl Erin and her hot partner Bailey. What a great shoot. I wish I had been there. The two ladies sure looked like they were having a whole lotta fun. Seeing the frolic around naked and then licking and kissing themselves was really great. But when that beach ball dildo entered the scene, I was in lezzie heaven. Now that was one unusual dildo. And I also enjoy the fact that there are a dozen or so ladies to look at. Almost all of them are really pretty in their own right, but to see the variety of boobs and pussies is an incredible turn on for me. I like to see how they all fuck. Not everyone fucks alike and too see that variety in one magazine is great. And add on top of that the fact they all have video's I can watch for free is such a great thing. Plus I get to watch the fuck scenes from the other magazines, now that makes it worth every penny

– Sandy R., Louisville

massage her tender bottom. As soon as I see Cindy fucking Kory's cock, I climbed on the arm of the couch and spread my legs so that Cindy can lean forward to eat me as Kory pounds her from behind. Kory does his part too, reaching forward to finger my moist hole as he keeps plunging it into Cindy's pussy.

We shift positions so that I'm now lying in the middle on the couch while Cindy is perched on the edge of the couch in a perfect position to masturbate and fondle my boobs while I watch Kory rub his cock against Cindy's silky slit before entering her again. Still not quite satisfied with the new position, Cindy tells Kory to sit on the couch so that I can mount him – reverse cowgirl style. Cindy and I share a long kiss and with a quick lift of my hips, I'm riding her man while Cindy rubs her sensitive clit. I launch into a wild ride and cum within minutes. With my body still throbbing, I roll off Kory's cock and ride out the rest of my orgasm by massaging my clit while Cindy sucks my pussy juices off her man's still-hard cock.

Cindy and I trade places, as Cindy mounts her man and takes his long cock deep inside her as she rides him for the few breathless moments she needs to reach her own climax. As soon as she finishes, I wrap my soft lips around Kory's rock hard cock and to try to help him finish as well. Kory is more interested in helping me lie on my side so that he can enter me from behind and pound into my tight warmth until he's ready to burst.

I look bat him and motion 'No' with my head, telling him silently not to cum inside me. Pulling out, Kory ejaculates all over Cindy and my faces and mouths. We take turns licking him clean as the final act to close our afternoon tryst. We clean up and I decide to invite them both to the restaurant. Who knows, I may want to do this again.

DRESSED TO FUCK

Sometimes a woman will do whatever it takes to get what she wants. My wife, Skylar is the prefect example of that. She wants a new ring, a diamond set in platinum. Gold won't cut it anymore for her. She is intent on seduction when she struts into the bedroom where I'm sitting using the computer on the bed. She parts her shirt, showing off the black bra and panties beneath and running her hands all over her beautiful body in an overtly obvious attempt at seducing me.

I close the lid of the laptop, but when I try to join in, she playfully rebuffs me

the first time before allowing me to disrobe her and slide my tongue into the slit of her shaved pussy. I know what my woman likes; it's the wet press of my mouth against her sex. Already dripping wet and eager, I can tell Skylar is not interested in too much foreplay. She pulls my cock out of my pjs and me a brief handjob before sliding my cock into her tight twat. I gather her into my arms and rearrange us on the bed so that Skylar can

ride me cowgirl style. We go at it, shaking the bed and I massage her jiggling boobs in sync with riding me. Neither of us is ready to cum yet, and so we slow things down. Skylar climbs off me and crawls between my legs, using her hands and the softness of her warm eager lips to deliver an erotic cock licking. She always could give one hell of a blow job. It was one of the main reasons I married her, and it's already gotten her many pairs of new shoes.

She then remounts me in reverse cowgirl style, one of my favorite positions. She bucks and rides my cock with gusto and absolute abandon, clearly enjoying the pleasure that shoots through her body as the pace increases. I know when she's ready to give up some of her control. She leans forward and waits with a sultry smile as I slide my stiffie into her wet warmth and give her pussy a hard pounding. Soon, she's flying as her orgasm crashes through her, causing her to moan and cry out.

But that's not the end. Skylar resumes her position between my legs and uses both hands and her mouth to jerk and suck off my hard cock so that my cum shoots into her waiting mouth. My lusty wife enjoys her treat, making sure to capture every drop with her eager tongue. As always, she swallows it and licks her lips so sexy I almost cum again.

IN A PREDICKAMENT

I'm in a real 'predickament' – pun intended. My wife, Carrie, discovered I have a girlfriend, Danielle. What totally surprised me is that she's okay with it, on one condition. I can continue to fuck Danielle if Carrie can fuck her too. In my mind I was okay with that but in reality, I love my wife enough not to want to lose her. But right now, my little head is more powerful than my big head.

In order to get his done, I invite Danielle over for dinner, not telling her Carrie would be home. When she arrived, she was a little surprised to see her there. Over dinner we talked about the tryst and they both were into it. I was already hard before we left the table. Then, in the living room, right before my eyes, the girls put on a show, stripping each other down to nothing and using their eager hands and mouths on each other's breasts. Although they slapped away my first attempts to help, they soon couldn't resist bringing me into the action.

They stopped, looked at me, and began peeling me out of my clothes and caressing their hands over my stiff cock. Working together, they deliver a warm wet blowjob where they take turns licking and sucking my erection. Now that Danielle and Carrie have gotten me warmed up, it's time for them to start taking their pleasure. Danielle mounts my cock first while Carrie positions herself above my mouth so I can use my tongue and teeth to pleasure her.

Then the girls switch positions so that Carrie can impale herself on me while I go down on Danielle's bald pussy. The pleasure grows for Carrie as Danielle pulls at her hair and I'm thrusting in and out of her sopping wet snatch. Changing things up, Danielle lies down on the couch with Carrie on top of her in perfect pussy licking position. I take advantage, alternating between pressing my cock into Danielle's eager mouth and Carrie's pussy. Soon the girls can no longer hang on and neither can I. Boom. Boom. Boom. Three loud climaxes.

– Adam, San Antonio

I was always the shyest girl until I discovered sex at twenty. I used to be nerdy with big thick glasses and now all I look for is big thick cocks. Like yours. I'm willing to learn to suck it the way you want. I'll let you fuck me the way you want. Then I'll go back home and fuck my man.

I let my tongue do the work

I have a thirst for men. An overwhelming lust for man sex. An uncontrollable thirst for man juice. Recently, I went on the prowl for cock and it looks like I found me some. Who could resist me when I look like this. Always one to be in control, I force lover-boy Ernesto to cum in my mouth after he could not control himself the first time. I want to taste it. Could you cum twice if I demanded it?

I think my bra is too tight, and my panties. Whew, now that they're pulled off completely, I can get down to business. Dirty business. The business of sucking your pole. And your balls. I don't like the missionary position, but any other one will do just fine. Is there one you haven't tried? I love it when my juices mix with my man's. It's kinda like lemon and lime, rum and coke, peanut butter and jelly. It's a mix that is mouth-watering.

this can all be yours. not really!

I was quite flattered to be selected for this month's issue. I had a great time at the shoot and I hope you like the images. I had worked out for six weeks before this and abstained from sex, too. That whole time. That made me really horny when shoot time came and I was all over the guy. I think he appreciated my abstinence, too.

how about a quickie?

Allyssa

I have a lot of guy friends, not to mention all sorts of guys that come onto me. I think I must exude sex. I love all that attention and, of course, all the sex I can get from them. That's because I'm into quickies. I love to fuck 'em and leave 'em. I also like long, slow, prolonged sex, but a quickie is super sexy to me. How 'bout you? Can you spare five minutes?

It was hot at the Fair and got even hotter at the Fair

summer's romance

The Ohio State Fair started last weekend and I'm working one of the carnival rides on the midway. It's the end of July and the heat and humidity are high. And damn, there are a lot of people here. They told me last year almost hit one million visitor. That's larger than Columbus itself.

I'm having lunch in one of the indoor venues to get out of the heat. Nothing special, just a corn dog, some chips and a soda. I have a view of the whole area and I noticed a pretty woman sitting almost directly in front of me but closer to the door.

She was all alone and maybe in her early to mid-twenties. She had blonde hair with just a few strands hanging over silver framed glasses. She was wearing a short pleated blue skirt and a t-shirt she had tied into a knot above her waist. The t-shirt logo identified her as a hostess from one of the restaurants here at the fair. She must have been on her lunch too. A moment after my food arrived, I had to use the rest room. I finished, washed my hands and dampened my face and headed out the rest room door. After I got back to my table I was surprised to see that she was sitting there munching on my chips. My heart started pounding out of control. My face seemed to feel like it was flushing and my skin was getting clammy.

She was a stunner. Big blue eyes, full chest pushing against her t-shirt and tanned skin. She looked at me and ask if I was going to sit or just stand there all day. She said its your table and all. So once I sat back down she asked me why I was staring at her. I told her I was sorry but her beauty was so compelling that I could not help myself and control became harder the more I looked. She then told me she had to make a confession that she had noticed me at my ride station because the restaurant she worked at was only two buildings away.

We talked a little more comparing Fair notes. She nibbled on more chips and suddenly she said she was feeling a little weird so she decided to go get some fresh air.

I asked if she was okay and if I should go with her. She said that would be nice and I paid my tab as we passed the front door. We walked for a short way when she saw some picnic tables set under a large canvas canopy. We walked to the one farthest back because it was under a large tree too, and it would be cooler. I had brought a wet nap with me and she took it and put it on her forehead.

Then she said she didn't want to keep me because I was probably due back at my station. I told her not to worry I had another hour before my shift began. We're sitting next to each other facing the empty lot full of tables and next thing I know I felt her hand rubbing the top of my leg and squeezing my upper thigh. I started caressing her other arm very gently as I made my way up her arm I reached her shoulder and started rubbing the base of her neck. That was when squeezed even harder on the inner part of my thigh as she closed her eyes and sighed with pleasure. She then started found my cock and started rubbing it over my pants. I could not believe this was happening. I ran my fingers up the back of her neck through her hair. I grabbed a hand full of her hair and gave it slight pull, she moaned a little bit more and rubbed a little bit harder.

That was when we just got into it as if we were in a frenzy. She grabbed my face and we started kissing each other rather sloppily, tongues exploring each other's mouth while my cock was getting harder and harder. My pants were getting tighter by the minute. That was when she unbuttoned and unzipped my pants and pushed me down on the bench of the picnic table. So once I was down, she pulled my pants down just enough to make sure my cock was exposed enough for her. She started by grabbing my cock with one hand and stroking it with a firm hand. She looked at me from behind her slender glasses and licked her lips.

We're sitting next to each other facing the empty lot full of tables and next thing I know I felt her hand rubbing the top of my leg.

Looking around to be sure no one was coming, she lowered her head, put her mouth around my cock. She got into a momentum that was amazing. She then stuck her tongue out and took my cock right down her throat and her tongue touched my balls as she held them in her hand, she then licked my balls. I thought I was going to empty a load directly into her stomach, but she pulled my cock out of her mouth and pushed it up towards my chest to make my balls and ass more available. She then started licking my balls and sucking on them one at a time, then both all while stroking my cock. Then I felt her warm tongue touch my ass hole. I would have never thought that I would like it, but at this precise moment it felt totally amazing.

She continued licking my ass to my balls for a minute or more, then continued back up my cock licking it up to the tip. This continued for a few more minutes when I made her change places with me. I had her bend over so I could run my hands up the outside of her legs up to her thighs and up under t-shirt. She wasn't wearing a bra so my hands and fingers went unobstructed right to her nipples. I cupped her full, firm boobs for a moment and then reached down and pulled her cotton panties down

to her knees. I gently bit one of her ass cheeks, then the other, groping them with each bite and spreading her ass cheeks to show her pussy and ass hole. I started rubbing her clit with my thumb as I was licking that spot between her ass hole and pussy. I then slowly started licking her pussy pulling each lip out and sucking them while still rubbing her clit. I then took a finger and slowly pushed it in her ass she moaned with pleasure. I returned the favor by dropping a little spit on her asshole and licked it off.

I was finger fucking her pussy, going from one to two to three fingers as she moaned louder with each additional finger. After a few minutes, I rolled her over on the bench seat, raised her legs and removed her panties. Then I pushed her t-shirt above her breasts to expose her perfect boobs. I cupped her boobs and started sucking on her nipples one at a time, pinching each one in turn until her nipples were just as erect as my cock. I then straddled her and she wrapped her boobs around my cock and fucked her boobs for a couple of minutes while the tip of my cock entered her mouth. I then move back down to her beautiful legs still in her sneakers.

I spread her legs wider and put the tip of my cock at the opening of her smooth pussy and slowly pushed it into her making her scream into her arm trying not to make too much noise. "Deeper." she whispered, moaning with every slam into her pelvis. With every thrust she would get closer to orgasm, rocking harder on my cock and then she tightened up. I

. . . the tip of my cock entered her mouth. I then move back down to her beautiful legs still in her sneakers.

felt her pussy squeeze my cock and her fingers digging into my ass as she climaxed. She then rolled over on the bench and told me to fuck her from behind. So I rammed my hard cock deep inside her pussy smacking my balls off her clit. She moaned as she had another orgasm, then another. They just kept cumming.

I reached for her boobs, slammed my cock even harder into her until she couldn't take anymore. At that moment my balls were so full I was ready to blow my load. I started grunting as if I was going to explode and she pulled me out of her pussy and took my cock in her mouth and started sucking it like crazy. When I was about shoot, she stuck one of her fingers at the outside of my ass hole and pushed it further and further in until I felt her knuckle bottom out. That's when I shot my load into her mouth and she kept sucking and fingering my ass until she got every drop out of me. And just when I thought she was done, she sucked my cock like a straw and pulled what ever cum I had in my balls out. I felt my toes curl and my ass pucker around her finger.

Once I relaxed she pulled back and released my cock from her mouth and pulled her finger from my ass. She wiped her mouth and we both got dressed. We exchanged numbers and have been having lunch together every day, although we've only had sex two more times in hidden corners of the Fair. I think it's time to find out if she'll see me after the Fair is done. If she does, I may just have to try to tap her delicious booty!

I just so happen to love sex. I grew up in a house where things were very open. After I did a shoot or two, I got comfortable with having sex on camera, and the guys were very patient and nice, so it was easy to relax. Since I haven't tried a group scene yet, I'm anxious to see how that feels, and of course to slow down, I'll do a girl, or two, or three!

Don't let my size fool you. I can suck and fuck with the best of them. The good thing is that, because I'm small, everything is a little smaller, a little tighter. And guys like that. But that doesn't mean my mouth and pussy can't handle a big cock. I dare guys to 'bring it on' and test me. They are all pretty shocked when they see the entire thing disappear down my throat or deep into my soaking wet pussy.

So there's a knock at the back door and it's Tony looking all buffed and I ask if he's ready for some action. I tell him to drop trou and immediately I start on his big cock. I love the taste of cock in the afternoon, when my hubby's at work, and I love to have it deep in my pussy. I get all wet and horny waiting for it to split my pussy lips and plunge inside. Then there's only one opening left and Tony goes into my back door once again. Now that was a whole lot of fun.
